

## UBUNCWANE COOKIE POLICY

### **We use both types of cookies**

Additionally, cookies can be first- or third-party cookies. First-party cookies are owned and created by the website you're viewing. Third-party cookies are owned and created by an independent company, usually a company providing a service to the owners of the website.

### **What we use cookies for**

Internet cookies are common and do not harm your system - they just store or gather site information. They help you do things online, like remembering login details so you don't have to re-enter them when revisiting a site.

### **We use cookies to:**

- Gather member journey information on our public site only
- Temporarily store input information in our tools, illustrations and documentation
- Store details of the service providers marketing, product preferences to improve our targeting and enhance your journey through our sites and service provider's sites
- Evaluate our sites' advertising and promotional effectiveness (we own the anonymous data collected and don't share it with anyone)

We don't use cookies to track people's Internet usage after leaving our sites and we don't store personal information in them that others could read and understand. We will not sell or distribute cookie information without your prior consent.

### **Changing your cookies settings**

To enable or disable cookies, follow the instructions provided by your browser (usually located within the 'Help', 'Tools' or 'Edit' facility). Alternatively, an external resource is available at [All about cookies](#) providing specific information about cookies and how to manage them.
